WHO ARE THE FRIENDS OF THE LIBRARY?

Friends of the Library have one thing in common — the Library. Whatever the interest, we need more Friends.

Friends like **YOU!**

What are the benefits of being a Friend?

- You will be part of a special group that is committed to enhancing the community through the Library.
- You will help to encourage closer relations and improved communications between the Library and the community.
- You can help support new services and projects not funded by the Library, such as speakers and other cultural programs.
- Your suggestions will help implement new uses and functions for the Library.
- You will receive a newsletter and other announcements.

More about Friends...

The Friends of the Library is a non-profit group, that through membership dues, fund raising activities, and service projects provides necessary supplemental support that is not possible with tax dollars alone.

One project supported by the Friends is the Newspaper Project which resolved a 42 year gap which existed in our microfilm collection of the local newspaper. Friends supported the library's effort to pay for the microfilming and the purchase of a microfilm reader/printer to accommodate the increased use.

The Friends also co-sponsor a popular GO-ART Program - Finally Fridays. This program brings talented musical groups from around Western New York to the library for the entertainment of everyone within our community for free.

Friends' funds provide supplemental support for Summer Reading, Storytime and SHARE programs for children.

Ongoing or anticipated projects include volunteer help with home delivery of books to shut-ins, after school programs, DVD and CD disk repair, annual book sale and occasional help with other library programs.

Friends of the Library groups are eligible to apply for grants to fund special projects.
